**Moore Library 7:00-8:00**

**Board Member attendees:**

Hernan Sanchez

Total of 8 homeowners represented

Scott Caskey led the meeting.

**Order of business:**

- Proposed by-laws were presented for a vote; however there was not a quorum so the vote to accept bylaws was tabled until next meeting. Scott suggested we each touch base with our neighbors, ask them to read the bylaws and to either come to the next meeting or have them sign a proxy so another homeowner can place their vote.
- Discussions and questions were brought forth concerning proposed bylaws.
- A question about covenant rules concerning commercial vehicles that can and cannot be parked in driveways and in front of homes was discussed.

**Next meeting is May 21, 7PM at Moore Library**
